Arlington, VA 22202

Dear Sir:

Prior to examination, please amend the above-captioned application as follows:

IN THE CLAIMS:

Please amend the claims as follows:

1. A sachet comprising a tray portion to which is non-releasably sealably affixed a composite releasably sealable structure; said composite releasably sealable structure comprising at least a first layer overlaying a second layer; said first layer comprising a semi-rigid member; said composite releasably sealable structure including an aperture region therein; said aperture region comprising a first sub-aperture region in said first layer in communication with a second sub-aperture region located in said second layer; said second sub-aperture region comprising a rupturable film component.
